

ROSEDALE

A real Pieter Adam piece plays with different materials. The elegance and lightness of the blown glass contradict the shape of the metal which gives a Rosedale piece its distinctive and playful quality thus ensuring its own identity and recognition. The glass beautifully absorbs any colour and the combination of materials engages the light in a very unique way.

The Rosedale series encompasses transparency and exclusivity offering plenty possibilities when you need a real glamour piece. Whether placed in a five-star hotel lobby or in your residence, these eye catchers complement any interior.

Timeless and with a great adaptability, a Rosedale piece easily integrates in its environment while leaving a great impression through its stylish appearance.
