## KRAVITZ | SUSPENSION

Inspired in part by the big afro hair styles that popularized the 60s, Kravitz Suspension is also a tribute to the bold, multiple award winning rock star, Lenny Kravitz. A series of tubes in a circular pattern trimmed to be shaped like a ball make this a funky modern looking centerpiece to hang over a great table or decorate the center of a room. An exclusive piece you can fall in love with.

### MATERIALS

SHADE: Aluminum
