NADIA SCONCE

49169
H: 24 IN, W: 4.5 IN, D: 5.5 IN
Antique Brass
Contract Suitable As Is

Vertically symmetrical in design, two conical lamps form the brilliance that is this sconce. Crafted entirely of stainless steel, a single post stands from a square plaque mount, with matching shades casting light both upward and downward. The effect is quite moody and dramatic. Both lamps are lined with a matching antique brass metal shade, so the sconce is touch-safe when switched on. Also available in brushed nickel
