Stone Boucle

Contract Suitable As Is

It's in the details that make the Catalina Chaise a lounging beauty. It is designed in a modern way, but softened with rolling curves, rounded angles and an extra plush seat. Up close, observe all the immaculate details, like corner pleating, self welting and grey ash finished tapered legs. Upholstered with a textural boucle in a soft shade of pale gray, this hue complements a palette of almost any range. Also available in Mulberry
