

NASTRO

designed by Studio Pepe

563.32 Tavolo - Table

Collezione / Series

Nastro

Dimensioni / Dimensions

H. 41 x L. 47 / H. 16.1" x L. 18.5"

Peso / Weight

3,5 kg / 7,7 lb

Materiali / Materials

aluminum, brass, wood, concrete, metal

Certificazioni / Certifications

CE (240V)

Sorgente / Source

110/240 V
Integrated LED
Wattage: 15 Watts
Lumens: 2000 lm
Dimmability: on board
Color Temperature: 2700K
Cable: 150 cm

Finiture / Finishes

Hardware: C22 Beige, C23 Eggshell, C25 Terracotta, C26 Greenish-grey, C74 Sand black

Cylinder: C22 Beige, C23 Eggshell, C25 Terracotta, C26 Greenish-grey, C74 Sand black, C41 Brushed brass, W01 Ash, M01 Concrete

CE  IP40

Note / Notes

Touch dimmer on board

Struttura realizzata con profilato in alluminio verniciata a polveri epossidiche e cilindro in metallo verniciato a polveri epossidiche, ottone spazzolato, legno o cemento grezzo. Tasto di accensione touch integrato nella lampada. La fonte luminosa consiste in una striscia LED dimmerabile. Driver remoto per la versione con cilindro in legno o cemento grezzo.

Structure made with epoxy powder coated aluminum profile and epoxy powder coated metal cylinder, brushed brass, wood or raw concrete. Touch power button integrated in the structure. The light source consists of a dimmable LED strip. Remote driver for the version with wooden or rough concrete cylinder.

ABOUT

La famiglia di lampade a sospensione, da parete, da terra e da tavolo Nastro progettate da Studiopepe vedono una struttura a fascia in alluminio verniciato a polvere epossidica accompagnarsi a un peso cilindrico che ne controbilancia la flessuosità, in un ricercato equilibrio visivo. La fonte luminosa consiste in una striscia LED dimmerabile; i cilindri sono disponibili in metallo verniciato a polvere epossidica, in legno, in ottone spazzolato e in cemento grezzo.

The Nastro collection of suspension, wall, floor and table lamps designed by Studiopepe sees an epoxy powder coated aluminum band structure accompanied by a cylindrical weight that counterbalances its flexuosity, in a refined visual balance. The light source consists of a dimmable LED strip; the cylinders are available in epoxy powder coated metal, in wood, in brushed brass and in raw concrete.
