

IL PEZZO 12 Floor Lamp

Craftsmanship and beauty illuminated

Il Pezzo 12 Floor Lamp is a stunning circular shape that carries the three light sources in its endless rotation, supported by a marble base that enhances its cleanliness and purity. Illuminated by LEDs, the three solid crystals create a unique and immersive glow that fills the room with mesmerizing patterns. Notably, the lamp features a distinctive element: a metal cylinder nestled inside the marble, containing the lamp's serial number.
